Dear Athletic Director/Coach/Senior Counselors,

The **Derrick Thomas/Neil Smith Third and Long Foundation** was founded by Derrick Thomas in 1990. The Foundation has achieved prominence not only in the Greater Kansas City community but on a national level. Derrick's longtime friend and team mate, Neil Smith co-founded the Third and Long Foundation and later after Derrick's tragic death, he became Chairman of the Board of Directors.

As National Spokesperson for the "**Yes I Can**" program, Neil supports with the Foundation for Exceptional Children, young people with disabilities to accomplish great things in the areas of academics, the arts, athletic and community service.

Neil Smith has proven to be an exemplary athlete and a man about the community he shares here in Kansas City. The **Third and Long Foundation** Board announces the new **Neil Smith Community Service Award** presented to a graduating **female athlete** this year.
